It brings in thought leadership with a blend of academic rigour & hands on applicability to real-world issues. **The Institution has been conferred Grade - A with a CGPA of 3.8 on a scale of 4.0, the highest all India rating given to a college by NAAC.**

About Bharathidasan University

Bharathidasan University established in February 1982 endeavours to be true to a vision by creating a brave new world of academic innovation for social change.

The two year MBA Programme offered by Bharathidasan University draws its input from Bharathidasan Institute of Management (BIM), a School of Excellence in Management Studies which has today emerged as a nationally reputed School of Management and is **rated among the top 5 B-schools in southern India and among the top 25 B-schools in India including the IIMs.** This programme is based on the norms and standards prescribed by the AICTE and has the approval of UGC. The experience and expertise of BIM are available for students pursuing MBA Programme through Centre for Distance Education (CDE).

The University is accredited with "A" Grade by NAAC and is a member of the Association of Indian Universities (AIU) and Association of Commonwealth Universities (ACU). The CDE also conducts programmes in Dubai, Cambodia, UAE, Andaman, Sri Lanka, Singapore and Australia.

Lead Global Management Institute (LGMI)

Lead Global Management Institute (LGMI), Bangalore was established in the year 2008 by a group of industrialists with an aim to impart world class education, training and consultancy in management, specific to emerging and mandatory fields such as L&SCM and Retail Management to students, working executives and professionals.

The main objective of its collaborative programmes is to fill the gap between academic education and business requirement in both manufacturing and service sectors at the time of entering into the job/business world, creating the desire to excel, urge for better living and aiming for greater achievement in life and to build managerial qualities and business leadership skills.

About the Programme

Bharathidasan University offers 2 year MBA programme in collaboration with Jain College, Bangalore and industry partner LGMI. The differentiator in this unique programme is the core domain in LSCM module, which is the emerging trend in all aspects of business including the large, medium, SME, Services sectors.

LSCM involves the management of material, information and fund flows seamlessly between and among stages to maximize total supply chain effectiveness and profitability. Today's supply chain reality is increased outsourcing, large global networks, increased competition and consumer driven.

Ten top reasons why any organization needs a good, relevant & responsive supply chain are:

- Competitive advantage
