

CO-CURRICULAR Activities

We offer an integrated learning approach to ensure that you sustain a healthy balance between academic and social development. A vibrant program of activities are in operation at all of our college campuses. These programs include pep talks by experts, career counseling, sporting activities, clubs and societies, cultural visits and college field trips. Here are few such programs at glance:

The Youth Red Cross - a unit of Indian Red Cross Society inculcates the idea and practice of civic responsibilities, awareness about personal health and a spirit of service towards mankind.

Sports

Jain Colleges' sports department has been an alma mater to many aspiring sportsmen. Be it the ever popular cricket and basketball, the undefeatable sprinting spirit of athletics and football or the tactful ball games of tennis, badminton and snooker. Jainites have been active participators and champions in all these sports at all the levels, right from inter-collegiate to state and national level competitions.

National Cadet Corps (NCC)

Winning the 'Best Institution' award for the National Cadet Corps in a row for the year 2015-16, the college has emerged to be a perfect training center for youth interested in NCC activities. NCC is a leadership training activity that teaches you responsibility and resourcefulness. The 2A/5 Coy NCC of 7 Kar Battalion of Jain College has been adjudged the 'Best Institution' in Karnataka, Kerala and Goa for 10 times in 15 years.

Student Forum

Is it the artist or the scientist or the cultural enthusiast? What is your pick? Every department of Jain College has its own student forum. So whether you are a Grammar wizard / pandit / Nazi, a science freak or a cultural buzz, you will get a slice of it all. Numerous events organized by the Science Forum, Commerce Forum, Kannada Vedike, Hindi Parishad and many more, offer you the chance to ascertain your skills in your own unique manner.

At Jain College, an interdisciplinary approach towards education, harmonizes a student's personal development and career orientation with the fast-paced evolving world.

Matriculation or 10 class is the stepping stone of your career. As you wrap up that chapter successfully and set out on a journey of self-discovery, right guidance and advice becomes crucial. Your preparation hereafter and objective for your life are shaped, set and sustained in the next significant phase of your life - College. The destination where your academic distinctions are analyzed and assessed, and aligned with your interests and aspirations. But with myriads of career choices available in the conventional market, it becomes essential for students to make the right decision for themselves. While you are in dilemma, we will help you to make the right decision.

From nurturing individuals harboring a well-rounded leadership skill-set through participation in a wide array of student-led activities to providing extra-curricular opportunities, Jain College aims to build, contribute and become a part of an illustrious community of learners, leaders and experts.

“ The highest education is that which does not merely give us information but makes our life in harmony with all existence. ”
- Rabindranath Tagore

THE JOURNEY SETS IN

Jain College Academic Test

In the Jain College academic test, you will be evaluated through the regular mock tests and preparatory exams, to prepare you for board exams. The test is split in two parts:

- Regular Mock Test / Unit Test: Regular tests will be conducted for key topics to prepare you for board exams.
- Preparatory Exams: Annual preparatory exams will be conducted based on board syllabus to prepare you on how to attend the questions in exams and time management.

Video Lectures

The training classes also include video lectures in which subject-wise pre-recorded lectures on key topics will be conducted by experienced educators, which facilitates 24x7 self-paced, convenient and flexible student learning.

Academic Assessment

We review your academic performance at regular intervals. We frequently conduct parent-teacher meetings. You along with your parents or guardians are invited to these meetings. We also help you to recognize and enhance your latent talents / potentials through regular counseling. Experienced and knowledgeable faculty members are available to guide you and match your ability and skills with interests, and they also help you to make the right choice of the specialization subjects.

Scholarships

We offer scholarships to encourage extraordinary talent. The scholarships are awarded to you for your feats and accomplishments in academics, sports, music, dance and in literary fields. The scholarship consists of fee waiver, a flexible academic plan opportunity to represent the college, cash awards, free use of sports facilities, media promotion and varied sponsorship support.
